

The Company

NKC provides kids of the Ottawa area with an outstanding camp experience.

After outstanding success with National Tennis School summer camps, Geoff and Leorah Pearce decided to expand their company outside of the tennis community. They started with the idea of a Survivor themed camp. This idea grew to become National Kids Camps that offers several different camps in multiple locations through Ottawa and Quebec!

In partnership with Camp Fortune, they were able to bring a new level of camp experience for children in the Ottawa area. This partnership has given kids of the Ottawa area a chance to explore the outdoors in a comfortable day camp atmosphere.

COMPANY AWARDS

NTS in 1998 was awarded Top Ten businesses of the year by the Ottawa-Carleton Entrepreneurship Center.

OUR ALLIANCES WITHIN THE INDUSTRY

A large part of our success has come from our strong partnerships with our key sponsors (Kundstat Sports and Head) and our partnerships with the Ottawa Carleton Catholic School Board, Camp Fortune and Mont Ste Marie. Due to our partnerships, NKC exposure has increased due to the mass marketing of our programs to thousands of people across the Ottawa-Carleton region.

OUR POSITION WITHIN THE INDUSTRY

NKC is an established widely recognized kids camp company within Ottawa. Our goal is to maintain this position while helping children, working adults, and the general community, establish healthy living.

We help people enjoy an active life by teaching them tennis, sailing, outdoor skills as well as promoting education in a positive and exciting atmosphere.
