

Wilderness Adventure Camp

We will only be accepting 24 CAMPERS Per Week

We are so pleased how our summer 2020 and 2021 camps went! Over 2000 campers and over 65 staff went through our camps with extremely strict COVID-19 Procedures and all were COVID FREE! We were able to get all our kids to enjoy the outdoors and socialize and learn some skills along the way. 2022 All staff and all campers must be vaccinated. We will be sending out more guidelines from Ontario/Quebec closer to your camps dates.

We will have 1 bus that will bring children from Kanata, with stops in Nepean & Ottawa. At a lower price, parents will have a choice to use the bus or not, coordinate carpooling and/or drop their children at Camp Fortune.

All staff and campers (12 and up) must be vaccinated. We will keep everyone posted with Ontario/Quebec new guidelines as they become available.

All camps will continue to run from 9 AM to 4 PM daily with

the addition of pre-and post-care from 8-9 AM and 4-5:00 PM.

We will be sending everyone all our COVID-19 procedures. As well as we are getting a new website with a COVID-19 Portal for all parents.

As this situation is fluid, we ask for your patience and for you to keep up to date through the sources provided.

Camp Fortune

Day Tripping to Meech Lake Fishing, SUP, Freebee & more....

Our 5-day camp will pair campers with primitive life skills and outrageous summer fun!

The intention of this camp is to teach our next generation the basic life skills needed to survive, not only in the office, but if they were left alone in the forest, island, or any place they may need to survive – without their phone!

Skills taught/practiced include shelter and fire building, wilderness medicine, teamwork, orienteering, fishing and food preparation.

While other survival camps give kids exposure to many of the concepts/skills above, few of them have the practical knowledge/familiarity to provide significant hands-on experimentation.

Your kids will also be:

- Paddle boarding
- Fishing
- Archery
- Swimming-Meech Lake

- Fly-Tying
- Orienteering
- Outdoor Skills
- First Aid
- Rescue Techniques
- Hiking
- Fire Building Skills
- Aerial Park- We are hoping that the aerial park will be open for 2022 but we can not guarantee due to COVID-19.
- Wildlife and nature education
- Positive personal goal setting
- Team building games

Gain valuable skills that could forever change their lives and give them the tools necessary to correctly process anything that comes at them in life. Campers have a blast while learning and growing.
