

L.I.F.E- Leadership Camp

?

L.I.F.E Leadership. Inclusion. Fairness. Empathy

*****NEW***** Our newest, and very exciting camp!

This is the ultimate leadership camp for the 21st century! We've built a dynamic program from scratch in collaboration with experts in the field, using tasks, challenges, and interactive activities to learn more about compassionate leadership.

Using empathy and collaboration as our compass, campers will navigate and grow different core leadership skills across a number of different contexts, from learning how to lead a team, to understanding how to lead at school, to practicing compassionate leadership in relationships.

The best part? This special program is infused with lessons about the most pressing social justice challenges of our time. LIFE experts will facilitate lessons, discussions, and interactive games/activities focused on race and racism, gender and sexual diversity, health relationships, mental health, accessibility, and beyond. This camp helps builds inclusive, compassionate leaders who are ready to courageously lead the way.

Upon completion, campers will receive a LIFE Completion

Certificate co-signed by
National Kids Camps and the Empathy Institute; the perfect
addition to resumes and University or College applications!
