

Survivor Summer Camp

TAKING ONLY 26 CAMPERS PER WEEK FOR 2021

We are so pleased how our summer 2020 camps went! Over 1000 campers and over 40 staff went through our camps with extremely strict COVID-19 Procedures and all were COVID FREE! We were able to get all our kids to enjoy the outdoors and socialize and learn some skills a long the way.

No Refunds even if it is due to COVID concerns but you can receive a credit on all camps up to June 20th. If there is COVID Health issue you will receive a credit to be used on any of our camps up to 5 years. It is also transferable.

Our top priority is the health and safety of our campers, parents, and staff. After much counsel and speaking with public health officials, we have decided at this time, that it would be too risky and unsafe to use busing services to and from Camp Fortune.

For this summer, parents/guardians will need to organize carpooling and/or drive their children to and from Camp Fortune. We will no longer have this service.

New for this summer, all NKC camps at Camp Fortune will run out of the larger, newer, main chalet. All camps will continue to run from 9 AM to 4 PM daily with the addition of pre-and post care from 8-9 AM and 4-5:00 PM.

We will be sending everyone all our COVID-19 procedures. As well as we are getting a new website with a COVID-19 Portal for all parents.

(Link to our Covid-19 Procedures:

?http://www.nationalkidscamps.com/camp-covid-19-procedures-2020/).?

This fun filled week will be full of physical and mental challenges, outdoor adventures, co-operative games, theme days, arts and crafts, and plenty of team building activities that will bring

“SURVIVOR” to our campers! Our goal is to show our campers how positive thinking and leadership will help them build future success in their own lives. Survivor Camp is an Adventure!

***New** this year!!!2021 we are bringing Survivor to a whole new level.

The tribes will be broken into groups and put into exciting scenarios: example:

Lightning strikes, dead car batteries and losing your map – emergencies can happen at any time! While the odds of being

lost or stranded outdoors are pretty low, knowing what to do in an emergency is important. As survivalists, students learn exactly what to do in an emergency through the team-based study of real-world survival skills.”

From investigating the utility of tools to working through challenging situations, over this 15-day camp, learners use ingenuity to gain crucial skills such as knot tying, water purification and compass navigation. Bringing STEM to the great outdoors, instructors love the hands-on, interactive and collaborative curriculum. With each thrilling activity, students gather their senses, put their new skills to the test and conquer every challenge Mother Nature throws their way!

2021- more days with competitions using Stand Up Paddle Boards

Our popular shelter building will have more twists this year. We have added the decorating challenge. Everyday the tribe will have the chance to win an extra item for their tribe’s shelter. The tribe with the most items at the end of the week, wins a special award!

Our survivor badges will be back this year! Earn your badge and become our National Kids Camps Survivor Camper of the Year 2021 or receive one of our other amazing badges!

****New for 2021**** We will learn to build fires and compete between the four tribes on who can burn through the rope first (just like they do on survivor). Then we will roast marshmallows as we always do!

This year we will be using more hidden idols!

More SUP days!

More surprises in every corner!

We are always improving always making changes and adding great new special additions!

2021 what a year it will be!!!

Compete Against Other Tribes at Meech Lake with these amazing Masks, looking for treasures under the water, going threwo hoops, and following the staffs instructions...

(Only Camp in town to have these amazing masks)

(We are hoping to use these masks again in 2021 with a new system of every child is designated a mask for the week due to COVID-19)
